

FREE TO BE ME

(Annie Spiers)

Oh I am free to be me
I am free to be just as I am
Free to be me
Just the way I am
Oh I am free to be me
I am free to be just as I am
Free to be me
Just the way I am

Verse 1

No need to speak or behave
Or to dress like you tell me
I'm free to choose, my own path
I can be who I am

Verse 2

No need to conform to the norm
To fit in to expectations
Why comply when I could fly
Yes and be who I am

CHORUS

Verse 3

Don't laugh at me
Don't play your games
Don't pick on me
Or call me names
Please give me space to find out
Who I was meant to be

Verse 4

I'm as you see
Just look at me
Put together beautifully
I'm not like you
I'm just like me
And that's how it should be

CHORUS + Verses 3 + 4 together

Ending

Just the way I am
Just the way I am
