## Summer '25 Challenge

**St John's Waterloo PTFA would like to challenge you to try to raise £25 over the summer holiday. How you do this is up to you!**

Over the summer we would like to challenge as many children as possible to attempt to **raise £25 for the PTFA**. You can do anything you like to raise money in a fun, challenging or innovative way. You might like to base it around the **number 25**. This could be done as a **sponsored event, making & selling things or earning doing jobs**. It's up to you! You don't have to do this alone; you can join up with your friends or family and do this as a team effort. Use your imagination; the choice is yours. Check out our Facebook page and group for ideas over the summer.

**£25 is the target** but there is no minimum amount to raise and obviously we would love more if you managed it. **Everyone who takes part will get a medal. There will be prizes for the top fundraisers too.**

**A trophy will be awarded to the class that raises the most money & they will get a whole class reward. The class going into year 6 have been the top fundraisers for all 4 years in a row so far; can they be beaten?!**

The Summer Challenge fundraising has previously funded the two colourful Buddy Benches as well as the three new playground tables & benches. This fundraiser kickstarts our funds for the year to make sure we can continue to fully fund all our Christmas fun activities including the whole school trip to the Plaza and a Santa's grotto. We also give funds to the school towards the cost of coach hire for school trips to keep costs to parents down & reduce risk of them being cancelled due to lack of funds.

**Money Fundraised:** Money can be sent by bank transfer, SumUp or collected as cash and returned in a sealed envelope to school **by Friday 12<sup>th</sup> September.**

**Bank transfers** can be done by individual sponsors or by parents in place of cash they have collected to **St John's Waterloo PTFA Sort Code 30-99-50 Account 33375862**

Sponsorship or donations can be made via SumUp using the QR code or going to [tinyurl.com/summer25challenge](https://tinyurl.com/summer25challenge). If you would like your own unique QR code please email us. We can send one & will be able to see what you raise individually.

Please record the money you raise on the form so we can award for top fundraisers and count them towards the class total.

All money should be transferred/paid by **Friday 13th September or sent in a sealed envelope on that day.**
