19 March 2020

Dear Parents and carers

At the time of writing, schools are still awaiting the government guidance on the key worker and vulnerable children criteria. However, we need to try to gauge the numbers of people within the school community who may be working within the categories as quickly as possible.

We would be grateful for the following information:

- **The name(s) and year group of your child(ren) who attend St. John's CE Primary School**
- **The job and title of each employer for each adult within the household**

For parents who are on Class Dojo the information can be sent via message in response to the class story posted this afternoon. Alternatively, parents should email admin.stjohnswaterloo@schools.sefton.gov.uk or return the reply slip to school. We would greatly appreciate the information as soon as possible, but by 9 am tomorrow, Friday 20 March, at the latest.

We would be grateful for response from all parents/carers, not just those who believe they may fall into the key worker category. Once we have confirmation about the criteria, we will post the list on the school website. We will then make contact with all parents who fall into the 'key worker' category.

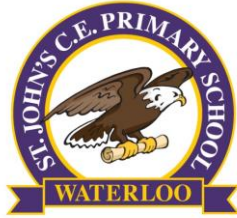

I ask everyone to please check the school website regularly for updates.

Thank you for your continuing support.

Yours sincerely

Mrs. C. McManus
