

The Queen's Platinum Jubilee – Whole School Planning 2022

Each class will focus on a different decade in the reign of Queen Elizabeth II – the decades will run in reverse order to suit the age of the class e.g. Reception (now), Year 6 (1952-1962) etc.

Take time to discuss the significance of the Queen's jubilee and to check the children's historical vocab/knowledge e.g. jubilee, coronation.

There are lots of supporting resources on: <https://www.rct.uk/discover/school-resources/school-resources-for-the-platinum-jubilee-2022>

Year	Time Period	Activity
EYFS	2012 - 2022	<ul style="list-style-type: none"> Go through the PowerPoint that explains who Queen Elizabeth II is and why she is an important figure. There is also a PowerPoint that shows pictures of the Queen from 2012-2020, however children in EYFS do not have to know the significance of these images, they are there for a support to show the children who the Queen is, what she looks like and what type of jobs she does. Design a plate to show what they know about Queen Elizabeth II.
Y1	2002 - 2012	<ul style="list-style-type: none"> Each class will be provided with a PowerPoint that shows ten key pictures of events from their decade. Each slide has a short synopsis of the picture shown. Go through the PowerPoint and discuss the images with the class – highlight the significance of the events and any evident changes e.g. changes in technology etc.
Y2	1992-2002	<ul style="list-style-type: none"> Once the children have understood the key events in that decade of Queen Elizabeth's reign, they will then design a commemorative plate to represent their class's time period.
Y3	1982 - 1992	<ul style="list-style-type: none"> The children should include pictures, symbols and words to show what happened during those years. Any media can be used to decorate the plates e.g pencil, paint, pastel, collage. NOTE: Please keep these plates in your classroom until they are collected, as they will be displayed to show a timeline of the Queen's reign.
Y4	1972 - 1982	
Y5	1962 - 1972	
Y6	<1962
